Project Title: Adventure Time Website

I'd like to build my website around the animated television show Adventure Time. It will include a summary of its curation, its premise, as well as have individual pages for key characters. Navigation will be situated at the top of the page and I am considering also taking visual inspirations from Gameboy games, which would connect with the character BMO.

- Home – Introduce the main premise as well as talk about the show's curation
- Finn
- Jake
- BMO
- Bubblegum
- Marceline
- Ice King
- Sources
